In Dress Goods we were never better equipped to meet your wants. The styles are numerous, the shadings varied and the prices most attractive.

The rage for the popular Storm Serge continues and is likely to continue during the fall and winter season. There is nothing more desirable or stylish for street wear, and the moderate cost is another item of interest. For more dressy styles we show a full line of shadings in Wool Bengalines or Velours. This fabric is NEW, has handsome silk lustre and the general effect of a silk dress. We show the same weave in silk fabrics. Besides these two leading popular styles we have not neglected other decided favorites in value and style, and we show some desirable novelties in Plaids, Stripes, Plain Serges, Whipcord Serges, Broad Cloths, &c.

Last season we ran a line of popular all-wool fabrics, the general value of which was 50c, at 371/2c. This fall we are fortunate in being able to give an assortment of very choice dark shades in wool goods at the same attractive price, 371/2c
